

Adoption Application

Thank you for considering adoption of a Tall Tails Rescue dog! There are so many dogs in need of loving committed homes and you are literally saving a life when you adopt. Please fill out the application below. We will review it and then call you for a phone interview. A home visit will be required before adoption is finalized to ensure that your home and lifestyle is a good fit for one of our dogs. We do not adopt our dogs on a first come, first served basis. Each dog is placed with the applicant who is best suited for that dog. We review each application and then fit the dog in the home that best meets all of the dog's physical and emotional needs.
